

WHY CIRCLE KOMBUCHA?

Circle Kombucha is the perfectly balanced kombucha choice. Co-Founder, Matt, is a type 1 Diabetic who has found a wellness balance through kombucha. Their mission is to offer that same experience to each of the communities they serve. They prioritize the values of kombucha drinkers so that customers don't have to sacrifice their demands. This is what makes them a full circle kombucha.

Health: low-in-category sugar content, raw, traditional probiotic-packed kombucha.

Flavor: amazing, crave-able taste. Never vinegary or overly sweet - balanced.

Community: affordable & accessible for all. Hyper-focused on regional distribution. Maximize flavor & minimize shrink.

Environment: packaged in aluminum, shipped less miles, regionally and responsibly sourced ingredients.
