

## Colombian Single Origin Chocolate

- Exclusive and Rare - made solely with Criollo & Trinitaro Beans (only 10% of all cacao beans grown)
- Complex Flavors - result in flavor notes such as fruity, floral & nutty
- Made at Origin - grown and produced in Colombia with Colombian ingredients
- Economic Advantage - better value due to lower costs of ingredients, labor, production & logistics
- Low Environmental Impact - production, transportation, handling & processing reduced to a minimum
- Benefit to Farmers - farmers paid higher than Fair Trade requirements
