SOLSTICE
coffee tea service

Solstice boasts 100% Arabica, estate-grown certified coffee beans. Where possible, the beans are grown sustainably, often organic, and always Fair Traded. Coffees are available in whole bean, ground and frac packs. Contact your sales rep for details!

SINGLE ORIGIN COFFEES

Brazil Santos Direct Trade is low in acidity, well-rounded, balanced, fruity and consistently smooth. Big and full of chocolatey earthiness and cocoa.

Peaberry is full-bodied, with medium acidity, bright, floral notes and somewhat fruity. Light, yet rich and robust, with hints of cacao and cinnamon.

Organic Peru Chanchamaya is a well-balanced medium roasted with bold vanilla notes. Certified organic.

Luna Decaf is roasted slightly past medium to create a full-bodied, exceptionally smooth decaffeinated brew from Columbia.

Swiss Water Decaf: Fair Trade & Organic is 100% Swiss Water Processed Decaf Peruvian Coffee.

BLENDS

Bistro Blend is low in acidity and medium-bodied, with a rich, smooth flavor. A nutty start and silky, chocolate finish.

Diago's Deep Roast is a rich blend of our Nicaraguan and Colombian coffees. A perfect night-cap coffee -- pairs well with your dessert menu.

Mocha Java is the perfect balance of acidity and earthiness! Full-bodied with a rich and nutty taste, a complex aroma, and hints of cacao.

Premier Blend is earthy and grassy, with fruit and berry like brightness. Black and hot it tastes of dark chocolate and orange peels. Its taste evolves as it cools or once cream is added...like biting into a chocolate cherry cordial!

Provenance Blend is a smooth, well-balanced cup that offers hints of vanilla, with bold, chocolatey undertones.

Signature DTO Blend is a rich blend of Organic Peru Chanchamaya and Brazil Santo Direct Trade that creates a sustainably focused blend of delicious coffee.

Sol Espresso Blend is Cleveland's perfect espresso. Deep, rich, with a smooth, nutty flavor profile.
