**Premier ProduceOne**

**SOLSTICE**
coffee tea service

Solstice boasts 100% Arabica, sustainably grown, sourced, roasted, and delivered coffee beans. When possible, beans are bought through direct trade. Coffees are available in whole bean, ground, and frac packs. Contact your sales rep for details!

## BLENDS

**Bistro Blend** is low in acidity and medium-bodied, with a rich, smooth flavor. A nutty start and silky, chocolate finish.

**Diego's Dark Roast** is a rich blend of our Nicaraguan and Colombian coffees. A perfect night-cap coffee -- pairs well with your dessert menu.

**Mocha Java** is the perfect balance of acidity and earthiness! Full-bodied with a rich and nutty taste, a complex aroma, and hints of cacao.

**Premier Blend** is earthy & grassy, with fruit & berry like brightness. Black and hot it tastes of dark chocolate and raspberry. Its taste evolves as it cools or once cream is added...like biting into a chocolate cherry cordial!

**Provenance Blend** is a smooth, well-balanced cup that offers hints of vanilla, with bold, chocolatey undertones.

**Signature DTO Blend** is a rich blend of Peru Chanchamayo and Brazil Santos, creating a sustainably focused blend of delicious direct trade coffee.

**Sol Espresso Blend** is Cleveland's perfect espresso. Deep, rich, with a smooth, nutty flavor profile.

## SINGLE ORIGIN COFFEES

**Brazil Santos** is direct trade, low in acidity, well-rounded, balanced, nutty and consistently smooth. Big and full of chocolatey earthiness and cocoa.

**Peaberry** is full-bodied, with medium acidity, bright, floral notes and is somewhat fruity. Light, yet rich and robust, with hints of cacao and cinnamon.

**Peru Chanchamayo** is a well balanced medium roasted coffee with bold vanilla notes. Sourced organic, this coffee is the model of sustainable.

**Luna Decaf** is roasted slightly past medium to create a full-bodied, exceptionally smooth decaffeinated brew from Columbia.

**Swiss Water Decaf: Fair Trade** is 100% Swiss Water Processed Decaf Peruvian Coffee.
