

Solstice boasts 100% Arabica, sustainably grown, sourced, roasted, and delivered coffee beans. When possible, beans are bought through direct trade. Coffees are available in whole bean, ground, and frac packs. Contact your sales rep for details!

BLENDS

Bistro Blend is low in acidity and medium-bodied, with a rich, smooth flavor. A nutty start and silky, chocolate finish.

Diego’s Dark Roast is a rich blend of our Nicaraguan and Colombian coffees. A perfect night-cap coffee -- pairs well with your dessert menu.

Mocha Java is the perfect balance of acidity and earthiness! Full-bodied with a rich and nutty taste, a complex aroma, and hints of cacao.

Premier Blend is earthy & grassy, with fruit & berry like brightness. Black and hot it tastes of dark chocolate and raspberry. Its taste evolves as it cools or once cream is added...like biting into a chocolate cherry cordial!

Provenance Blend is a smooth, well-balanced cup that offers hints of vanilla, with bold, chocolatey undertones.

Sol Espresso Blend is Cleveland’s perfect espresso. Deep, rich, with a smooth, nutty flavor profile.

SINGLE ORIGIN COFFEES

Brazil Santos is direct trade, low in acidity, well-rounded, balanced, nutty and consistently smooth. Big and full of chocolatey earthiness and cocoa.

Peaberry is full-bodied, with medium acidity, bright, floral notes and is somewhat fruity. Light, yet rich and robust, with hints of cacao and cinnamon.

Peru Chanchamayo is a well balanced medium roasted coffee with bold vanilla notes.

Luna Decaf is roasted slightly past medium to create a full-bodied, exceptionally smooth decaffeinated brew from Columbia.

Swiss Water Decaf is 100% Swiss Water Processed Decaf Peruvian Coffee.
