

Why Soom Tahini?

Soom Tahini is a healthful ingredient used by America's top chef in their award-winning culinary creations. Soom Tahini has been recognized as the "it" ingredient by premiere publications such as Bon Appetit magazine, and is on-point with major industry trends.

Tahini / ta:'hi:ni

is a paste made from toasted and ground sesame seeds. It is commonly used in Middle Eastern and Mediterranean cuisines, and has been widely integrated into meatless paleo and health-conscious menus. Tahini is a primary component in hummus and is highly regarded as a versatile ingredient in savory and sweet dishes.
